

Irish Heritage Society  
Board Minutes  
June 10, 2020

Meeting conducted by ZOOM, following directors present at 6:00 PM: Bratcher, Leifel, Mertes, Stack, Millen, Fries, Sweeney, Connor, Young, Finlen.

March Minutes Approved.

Treasurer's report received.

**Mary Stack Reported:** 36 single or family members. About a dozen members have not renewed, mostly because of age.

**President Bratcher** led the discussion on whether to have a musical program in January. The Board favored the idea.

The Board discussed whether it was advisable to continue the Website. It was decided the web site should be continued at least one more year. EMAIL will also be continued.

**President Bratcher** reviewed the survey of Board Members she conducted. It appears that most would like to see fewer board meetings. This topic should be reviewed and decided at our Jan, 2021 meeting.

Secretary was directed to draft a bylaw amendment to make it clear the organization does not need to conduct a set number of social/cultural events per year.

Discussion was had on how to finance liability insurance costs. It was observed that we procured the insurance because of sponsorship of the Parade. It was the consensus that we continue to pay the insurance from registration fees charged for entering the parade.

Next meeting July 8, means to depend on Covid.

Meeting adjourned at 7:04.

Respectfully submitted  
Danny Leifel, Secretary
